1. A tiger roamed around Kampong Serai

The villagers of Kampong Serai were scared of a tiger that roamed around their village at night. But they do not know how to catch the tiger.

2. The villagers mocked Babau

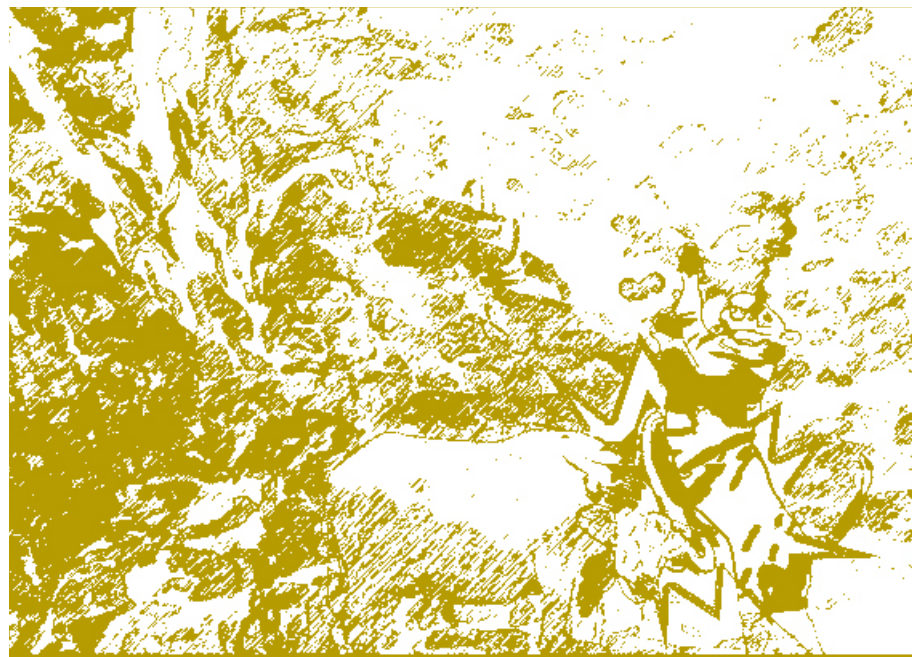

The villagers liked to mock Babau, a buffalo, by singing:

*Babau, Babau, foolish Babau,
Babau, Babau, fat Babau,
Babau, Babau, lazy Babau,
Babau, Babau, you are a fool, Babau,
What are you going to do?*

The villagers decided that later on in the day Babau could be used as a bait to catch the tiger. They sang again.....

(Repeat chorus)

3. Babau was tied to a tree to attract the tiger

That evening Babau was tied to a tree. The tiger appeared but Babau pretended he was dead. When the tiger was about to leave, Babau struck the tiger. The tiger ran away, never to return again.

4. The villagers cheered for Babau's courage

The villagers celebrated the courage of Babau. They sang:
Babau, Babau, cunning Babau,
Babau, Babau, strong Babau,
Babau, Babau, brave and mighty Babau,
Babau, Babau, smart Babau,
What are you going to do,
Now that we respect you?
